1. DEFINITIONS

- 1.1. The terms Change Order, Contractor or Supplier, Contract, Buyer, Goods, Rental Vehicles and Equipment, Hazardous Materials and Hazardous Waste, PG&E, Purchase Order, Specifications, Subcontract, Subcontractor, Work and other terms are defined in the General Conditions and shall have the meaning set forth therein.

2. GENERAL

- 2.1. This Contract, including the Specific and General Conditions and each attachment, sets forth all of the terms and conditions pursuant to which PG&E and Contractor shall contract for the rental of vehicles, equipment, and other Goods from Contractor to PG&E. Contractor understands that PG&E intends to enter into multiple contracts with various entities for rental of vehicles and equipment and that PG&E may or may not place orders with Contractor for the rental thereof.
- 2.2. This Contract will be the only agreement between PG&E and Contractor relating to the subject matter hereof. PG&E does not intend to enter into any separate agreements with Contractor for the rental of vehicles or equipment. This Contract will supersede any of Contractor's forms for rental of vehicles or equipment.
- 2.3. This contract will prevail over any of Contractor's forms or documents for rental of vehicles or equipment. Any Contractor purchase order terms, invoice terms or other forms shall have no effect. PG&E may be asked to sign Contractor forms, which PG&E will sign only to confirm receipt of Rental Equipment and/or Vehicle and the condition of the Rental Equipment and/or Vehicle. PG&E may contact supplier to request a Rental Equipment and/or Vehicle. If supplier has the requested rental available, PG&E shall issue an Authorization ID that will be used to track the rental equipment and allow the supplier to be able to Invoice PG&E. The Authorization ID must be included on the invoice, otherwise Supplier will not be able to Invoice PG&E.
- 2.4. Should a conflict exist between the General Conditions and these Specific Conditions, the Specific Conditions shall control. Should a conflict exist between the Specific Conditions or General Conditions and the Exhibits, the Specific Conditions or General Conditions shall control. Should a conflict exist between the Contract and applicable federal, state or local law, rule, regulation, order or code, the law, rule, regulation, order or code shall control. Varying degrees of stringency among the General Conditions, Specific Conditions, Exhibits, laws, rules, regulations, orders, or codes are not deemed conflicts and the most stringent requirement shall control.

3. LOCATION OF WORK

- 3.1. PG&E's utility service territory is located in northern and central California. PG&E may need Rental Vehicles and Equipment for operation anywhere in the United States, but its primary need will be within its service territory and adjacent states. Supplier shall provide PG&E with a list of Supplier's service areas, including branch locations, rental yard locations and repair facilities.
- 3.2. The specific areas served by this Contract will be determined by PG&E. It is the responsibility of Contractor to submit updates to PG&E's Procurement Representative regarding Contractor's service areas, including branch locations, rental yard locations and repair facilities.

#### 4. SCOPE OF WORK

- 4.1. Contractor shall not deliver any Rental Vehicles and Equipment to PG&E without a Rental Authorization ID, an approved number provided by PG&E to begin the rental transaction between supplier and PG&E. For Rental Vehicles and Equipment requested by PG&E after-hours or in emergency situations, both Contractor and PG&E's representative will adhere to Contractor's After Hours or Emergency Roadside Service Contact Information (see Section 20).
- 4.2. Rental transactions will be originated, only by PG&E Rental Central, via phone call, Email, Web service, fax, or at PG&E's sole option, in person, to a number or location specified by Contractor. A written confirmation of the Rental Central order form, if used, must be executed by Contractor and returned by mail, email or fax to the originating PG&E office within three (3) working days of PG&E's submission of the Purchase Order to Contractor.
- 4.3. At PG&E's request, Contractor shall deliver and/or pick up, without distance limitations Rental Vehicles and Equipment and Goods to or from the locations, based on date and time specified by PG&E's representative. In addition, PG&E may pick up and/or drop off rental equipment at contractor's site.
- 4.4. Contractor shall provide a full tank of fuel upon delivery of each Rental Vehicle and Equipment. PG&E's representative has the option to decline any Rental Vehicle and Equipment with less than a full tank of fuel. In the event any Rental Vehicle and Equipment is returned by PG&E to Contractor without a full tank of fuel, then Contractor may include fuel charges at Contractor's posted price (currently \$8.75. Contractor will provide an annual rebate of 50% on all fuel purchases. The rebate will be paid in first quarter of the following year that the rebate was earned.
- 4.5. Vehicle Specific Requirements:
  - 4.5.1. The following requirements, without limitation shall apply to any light duty vehicle rentals hereunder:
    - 4.5.1.1. Contractor shall not substitute any all-wheel drive vehicles for any 4 wheel drive vehicles requested by PG&E without specific approval from the Transportation Services rental office.
    - 4.5.1.2. All 4x4 vehicles that Contractor provides to PG&E shall have off-road, mud and snow rated tires.
    - 4.5.1.3. All cargo vans that Contractor provides to PG&E shall have safety screens.
    - 4.5.1.4. Specific requirements for medium and heavy duty vehicles will be provided by PG&E on a case by case basis.

- 4.6. Contractor shall use its best efforts to ensure Rental Vehicles and Equipment are available to meet PG&E's demand.
- 4.7. If PG&E has rented a specific Rental Vehicle and Equipment for twelve (12) months or more, PG&E, in its sole discretion, may elect to purchase that Rental Vehicle and Equipment at a price and on terms that are mutually agreeable to both Parties. Eighty percent (75%) of rental payments shall be deducted from the purchase price of the rental equipment.
- 4.8. Unless expressly agreed in advance by PG&E, PG&E will not accept any Rental Vehicle and Equipment that is more than five (5) years old (from the date of manufacture).
- 4.9. Early Rental Termination – If mutually agreed upon for each specific rental, rental periods that exceed the number of days in a breakdown rate (e.g. daily, weekly, monthly, six-month, or twelve-month), Contractor shall apply a prorated daily rate based off of the original breakdown rate. For example, if a rental period for one month is \$300 and PG&E terminates at 36 days, Contractor's invoice will be itemized showing rates at one-month and 6/30ths of a monthly rate (\$60). Total for 36 days shall equal \$360.
- 4.10. Re-rent - If Contractor is unable to fulfill a rental request from PG&E, Contractor will arrange a re-rent upon PG&E's request. The administrative fee to PG&E for a re-rent unit is an additional five percent (5%) of the order of that Rental Vehicles and Equipment. Contractor shall replace the re-rent unit with the Contractor's-owned unit that PG&E requested when the Contractor's-owned unit becomes available. Contractor shall be responsible for all drive away charges incurred for delivering the Contractor's-owned unit and returning the re-rent unit.
- 4.11. Replacement Units - Contractor shall contact PG&E to determine if replacement units are acceptable to PG&E. If a replacement unit is acceptable to PG&E, PG&E and Contractor shall make arrangements to schedule the replacement. If using a replacement unit is not acceptable to PG&E, Contractor and PG&E will seek an equitable solution. Contractor shall be flexible regarding impact to PG&E and its services as a result of the need for, and use of, any required replacement units.

## 5. MAINTENANCE AND REPAIR

- 5.1. Rental Vehicles and Equipment rented from Contractor may be critical to PG&E's ability to meet its obligation to provide safe, reliable gas and electric service to its customers. Contractor shall be responsible for maintenance, repair and replacement, for any Rental Vehicles or Equipment.
- 5.2. Contractor shall provide the following assistance during normal business hours at Contractor's expense: If any Rental Vehicles and Equipment becomes inoperative or unsafe for any reason, or requires maintenance or repair, for assistance during normal business hours, PG&E's representative shall contact the originating rental yard location. Contractor shall complete the repair or replacement within four (4) hours thereafter. If Contractor is unable to complete repairs within four (4) hours after notification, then PG&E may make emergency repairs at Contractor's expense upon notice to Contractor's rental yard location.
- 5.3. Contractor shall provide Emergency Services to PG&E at Contractor's expense. Emergency Service is accessed by a contact number listed in Section 20 for after hour emergencies. After hours is defined as after 5PM and before 7AM Mon thru Fri and all day Sat and Sun. In the event Contractor's Emergency Services fails to satisfy PG&E's requirements or fails to adequately provide the necessary repairs, as determined by PG&E and Contractor, then PG&E's representative shall be permitted to repair the Rental Vehicles and Equipment, and/or select and rent equal or equivalent vehicles and equipment, at Contractor's expense. Contractor shall have a digital mobile radio capable of sending and receiving within Bands A4, B1, C0, D1, G2, H5, H6, H7 and K5 for emergency communications in case of a catastrophic event.
- 5.4. Contractor will be responsible for disposal of fluids in accordance with all applicable federal, state and local laws, rules and regulations for fluids related to the maintenance or operation of the Rental Vehicles and Equipment.
- 5.5. All Rental Vehicles and Equipment that Contractor rents to PG&E shall be properly maintained by Contractor as follows:
  - 5.5.1. Routine and annual servicing as prescribed by the manufacturer, including all components and auxiliary equipment that are part of the rented unit. Copies of maintenance records shall be placed in the vehicle and with the equipment. During the rental period, Contractor will be responsible for and will pay for all repairs of the Rental Vehicles and Equipment, including the supply and installation of all parts, made necessary by Contractor's acts or omissions or normal wear and tear. In connection therewith, Contractor shall also pay for all freight, towing and storage charges.

## 6. PRICING

- 6.1. For the purposes of this Contract, (8 hours = 1 day, 40 hours = 1 week = 7 days, 160 hours = 1 month = 30 days).
  - 6.2. Rental rates as listed in the Final Pricing Spreadsheet attached hereto as **Attachment A** shall be firm for a period of 1 year. During the term of the Contract, Pricing may be adjusted annually thereafter upon mutual acceptance between Contractor and PG&E. If a rental is charged at a rate different than the Final Pricing Spreadsheet, the Contractor has five (5) days from notification of the difference, to issue a credit for the excess amount charged.
  - 6.3. The rates provided by Contractor shall include GPS/Telematics, wireless devices to transmit data on vehicle use, maintenance, GPS technology and other real time information, all maintenance and repair costs pursuant to Section 5 above, all applicable taxes (excluding sales and use taxes), and all license and registration fees. Contractor shall bill any sales/use tax as a separate line item by vehicle/equipment on the rental agreement to PG&E.
  - 6.4. Purchase of tools shall be at a pricing structure of cost plus **10%**.
7. [REBATE]
- 7.1 If applicable, as of the Effective Date, the Contract may include the rebate schedule attached hereto as **Attachment C** (the "Rebate Schedule"). PG&E's eligible Rental Revenues (as defined in the Rebate Schedule) achieved during the specified period. Rebate will be paid quarterly via check or annually with PG&E Sourcing prior approval. In addition, all subcontractor spend shall qualify and will be added to the total spend for rebates as per the Rebate Schedule.
8. TRAINING
- 8.1. If training is required to ensure the proper use by PG&E of any of the Goods, Contractor will promptly provide such training to PG&E at Contractor's expense and at a PG&E or Contractor facility designated by PG&E.
  - 8.2. Contractor shall notify client of required training and provide training to PG&E to ensure full compliance with the requirements of OSHA Regulations Part 1910 applicable to all owners of these types of Rental Vehicles and Equipment.
9. REPORTING

- 9.1. In the event Rental Vehicles and Equipment needs to be replaced by another Rental Vehicles and Equipment and/or PG&E has a driver assignment change, the actual/original rental commencement date shall remain the same as long as it is a continual rental.
- 9.2. Contractor and PG&E shall communicate to each other any original rental reservation information changes including, but not limited to, vehicle replacement or changes in vehicle location or driver information.
- 9.3. Fuel reporting **by unit** must be provided through Telematics or manually.
- 9.4. Provide daily, weekly and monthly reporting through a data interface. If Supplier has a web based service for reconciliation/validation of data, access will be granted to PG&E. If a web based service is not available then manual electronic submission of the data is required. All equipment that is regulated by a state/federal entity must have the applicable data reported by one of the previous methods. Units that are found to be out of compliance, or if information is not provided, Supplier will provide credit equal to the then current daily rental rate until the unit is within compliance.

#### 10. TERMS OF PAYMENT

- 10.1. GENERAL INFORMATION: Invoices submitted by Contractor to PG&E for payment must be in accordance with **Attachment D**. All timelines for payment of invoices specified herein shall run from the date a correct invoice is received by PG&E's Accounts Payable Department. All invoices submitted to and accepted by PG&E's Accounts Payable department by 6:00 PM on a business day are considered received that same day.
- 10.2. AUTHORIZATION ID: All authorized rentals will have a PG&E Authorization ID. No equipment may be purchased or rented from suppliers without an Authorization ID from PG&E.
- 10.3. COMPLETED WORK: Contractor shall submit invoices for completed Work accepted by PG&E, unless otherwise agreed.
- 10.4. All invoices must be submitted to the location stated in **Attachment D**, INVOICES SUBMITTED TO ANY OTHER OFFICE, LOCATION OR ADDRESS, INCLUDING A LOCAL PG&E OFFICE OR THE DEPARTMENT IN CHARGE OF THE WORK, ARE **NOT** CONSIDERED RECEIVED FOR PAYMENT PURPOSES. The discount and net due date timelines for invoice payment **DO NOT BEGIN** until the receiving location has forwarded a correct invoice to PG&E's Accounts Payable department and the invoice has been received and accepted.
- 10.5. PAYMENT: PG&E shall pay monthly in the amount of one hundred percent (100%) of the value of the Work satisfactorily completed during each month including extras, if any, within 45 days after receipt of a correct invoice by PG&E, subsequent to PG&E's acceptance of the Work. After receipt and approval of the Contractor's invoice, any remaining, uncontested balance shall be payable to Contractor within 45 days. Overtime hours shall be billed at 1.5x rates for labor unless otherwise agreed and limited to those hours for which the employee is actually compensated. Non-employees, such as Subcontractors and agency temporaries, shall not be billed as Contractor's employees. Contractor-furnished material shall be reimbursed at the Contractor's actual cost including transportation, less trade and cash discounts, plus the percentage fee quoted in Contractor's Proposal. Satisfactory evidence shall also be submitted to verify materials drawn from

Contractor's stock, rental of Contractor's equipment, or other miscellaneous items of cost not otherwise verified. The unit cost and quantity of each item shall be shown on each invoice.

10.6. Withholding Funds: PG&E may retain payments due to Contractor for the following reasons:

10.6.1. Discharge any delinquent accounts of Contractor for which liens or stop notices on PG&E's property have been or may be filed, and PG&E may at any time pay therefrom for Contractor's account by joint check or otherwise, such amounts as are admittedly due thereon.

10.6.2. Funds will be withheld for Work deemed by PG&E as not meeting the requirements of this Contract. Provide funds to cover cost of property damage by Contractor to PG&E facilities. Expenses to cover damages shall be at Contractor's expense, and repairs shall meet with PG&E approval.

10.7. All invoices shall be submitted in a timely manner. Invoices shall be submitted within 30 days after the end of the rental period. Invoices must also be submitted within 30 days once a rental is returned.

## 11. REGULATORY COMPLIANCE

- 11.1. All Rental Vehicles and Equipment rented by Contractor to PG&E shall meet all federal, state and local law, rules, and regulations, including, but not limited to, the following:
- 11.1.1. Valid California registration shall be maintained at all times. Out-of-state apportioned plates are acceptable if "Ca." is indicated on the apportioned tag.
  - 11.1.2. All vehicles over 10,000 lbs. Gross Vehicle Weight Rating (GVWR), shall have Contractor's carrier identification number affixed to each side of the vehicle as set forth in section 34507.5 of the California Vehicle Code. Contractor's identification number may be issued by the Interstate Commerce Commission (ICC), California Public Utilities Commission (CPUC), or Department Of Transportation (DOT).
  - 11.1.3. If the vehicle is scheduled to be on rent for 30 days or less, the contractor's carrier identification number and name or trademark shall be affixed to each side of the vehicle as set forth in section 34507.5 of the California Vehicle Code prior to delivery.
  - 11.1.4. If the vehicle is scheduled to be on rent for 30 days or less, but is extended to be on rent for more than 30 days, PG&E shall affix PG&E's carrier identification number and trademark to each side of the vehicle as set forth in section 34507.5 of the California Vehicle Code. The installation shall take place in the field at a location selected by PG&E.
  - 11.1.5. If the vendor is not a motor carrier, PG&E's carrier identification number and trademark shall be affixed to each side of the vehicle as set forth in section 34507.5 of the California Vehicle Code prior to delivery.
  - 11.1.6. If the vehicle is scheduled to be on rent for more than 30 days, PG&E's carrier identification number and trademark shall be affixed to each side of the vehicle as set forth in section 34507.5 of the California Vehicle Code prior to delivery.
  - 11.1.7. Records of decal installation shall be maintained by Contractor.
  - 11.1.8. Biennial Inspection of Terminals (BIT) regulated vehicles (as defined under California Vehicle Code section 34500), shall have a BIT inspection performed every ninety (90) days. PG&E also requires a BIT inspection on all trucks that are greater or equal to 16,000 pounds gross vehicle weight rating with a tow hitch and all trailers equipped with a pintle eye.
  - 11.1.9. Records of BIT inspections shall be maintained by Contractor. A copy of the most recent BIT inspection shall be maintained on the unit.
  - 11.1.10. Ninety (90) day BIT compliance decals must be affixed by Contractor to the exterior of the driver's side door on all BIT regulated vehicles, and street side of the tongue on trailers. The date on the inspection must be posted on the decal immediately after completing each inspection.
  - 11.1.11. Periodic inspections shall be performed by Contractor on all aerial lifts, cranes, and digger derricks in accordance with Cal/OSHA Title 8, Article 100 - Section 5031 and Article 24 - Section 3640. PG&E requires periodic inspections every ninety (90) days or less.
  - 11.1.12. Records of BIT inspections shall be maintained by Contractor.
  - 11.1.13. A copy of the most recent periodic inspection shall be maintained on the unit.
  - 11.1.14. Cranes and derricks that have a rated lifting capacity exceeding 6,000 lbs. shall have a Cal/OSHA crane certification. Plate V forms are to be placed in the vehicle and crane certification stickers affixed to the boom. Testing and certification shall be performed by a third party in accordance with California Labor Code Section 7375(c) (manuals shall be provided in vehicle)
  - 11.1.15. Records of crane inspections shall be maintained by Contractor.
  - 11.1.16. A copy of the most recent periodic and quadrennial crane inspections shall be maintained on the unit.
  - 11.1.17. Di-electric certifications shall be maintained by Contractor on all insulated booms and performed in accordance with ANSI A92.2-2009 and the PG&E Di-electric Testing Manual.
  - 11.1.18. All diesel vehicles shall meet the requirements of the Smog Check and Smoke Opacity as per CCR Title 13, 2192.

- 11.1.19. Records of opacity inspections shall be maintained by Contractor.
- 11.1.20. A copy of the most recent opacity inspection shall be maintained on the unit.
- 11.1.21. PG&E reserves the right to perform onsite record audits. These inspections records include, but are not limited to:
- 11.1.22. Department of Transportation CFR Title 49
- 11.1.23. California Code of Regulations CCR Title 13 (CHP, DMV & ARB)
- 11.1.24. California Code of Regulations CCR Title 8 (OSHA)
- 11.1.25. Contractor shall be responsible for, and shall pay, all applicable licenses, registrations, permits, and other certificates required for lawful operation, placement or use of the Rental Vehicles and Equipment.
- 11.1.26. Upon request, all most recent inspection records shall be submitted to PG&E Rental Central via Email, Web service or fax

## 12. NOTIFICATION OF THE RENTAL OF REGULATED GOODS

- 12.1 All regulated Goods (over 26,000 lbs. GVW), vehicles with a boom or derrick, tracked equipment or other specialized use equipment requested by PG&E shall be reported by Contractor to PG&E's Rental Central office **(by email to [rentals@pge.com](mailto:rentals@pge.com), or by phone to 530-757-5959)** before they are delivered to the job site or PG&E location. Information required to be included in Contractor's report includes Contractor's name, phone number, name and phone number of the PG&E representative requesting the rental, delivery location, type of Rental Vehicles and Equipment being rented, vehicle ID number and delivery date. PG&E at its discretion may elect to inspect the Rental Vehicles and Equipment prior to delivery.

## 13. TERM OF CONTRACT

- 13.1. Unless otherwise agreed upon by PG&E and Contractor, or unless terminated earlier in accordance with the terms and conditions of this Contract, the term of this Contract shall be for a period of three (3) year, commencing on the date it is executed by both parties. PG&E may extend this Contract for two (2) additional one year periods upon the mutual written agreement of Contractor and PG&E pursuant to a Change Order. PG&E shall give notice to Contractor of its intention to extend the Contract term for one additional year no later than thirty (30) days prior to the expiration of the then-current Contract period.
- 13.2. If Contractor receives notice that PG&E intends to extend the Contract term, Contractor and PG&E shall negotiate and update the Pricing Spreadsheet with adjusted rates for the option year. Adjusted rates will automatically go into effect upon the effective date of the extension term unless PG&E notifies Contractor that it wishes to rescind its notice of intention to extend.

## 14. WARRANTY:

- 14.1. Contractor warrants that the Rental Vehicles and Equipment, and all parts thereof furnished by Contractor, shall be of the kind and quality described in the rate schedule, and shall, if operated properly by PG&E, perform in accordance with the manufacturers' specifications. These warranties shall not be negated by PG&E's examination or acceptance of the Rental Vehicles and Equipment.

15. INSPECTION

- 15.1. Apart from any inspections required under Section 11 and 12 above, the inspection of Rental Vehicles and Equipment will be made at the time of delivery and return, and will be performed by PG&E and Contractor. PG&E reserves the right to reject any defective or nonconforming Rental Vehicles and Equipment.

16. CONTINUOUS IMPROVEMENT

- 16.1. PG&E intends to track and rate Contractor on continuous improvement measures, including but not limited to the following:
- 16.1.1. Customer service, to include, but not be limited to, phone professionalism, providing Rental Vehicles and Equipment that are clean, safe and reliable, obtaining accurate credit card and PCC data, fuel level, and OSHA and BIT requirements.
  - 16.1.2. Timely transportation, both delivery and pick up as specified by PG&E's representative, for all Rental Vehicles and Equipment throughout PG&E's service territory.
  - 16.1.3. Timely response to requests for Emergency Roadside Assistance, including adherence to Contractor's standard maintenance processes.
  - 16.1.4. Accuracy, completeness and on-time submittal of Rental Activity Reports and Subcontracting Reports.
  - 16.1.5. Accuracy in rental rates in accordance with the Pricing Spreadsheet attached hereto as **Attachment A**.
- 16.2. Service Level Agreement (SLA) and Scorecard: In order to evaluate Contractor performance under this Contract and to drive continuous improvement, PG&E requires that Contractor agree to an SLA describing the specific performance requirements of Contractor and a performance scorecard tracking Contractor's performance of these requirements. The SLA Matrix is attached hereto as **Attachment B**.
- 16.3. Both PG&E and Contractor agree to pursue continuous improvement. To accomplish this, critical service levels, key measurements, new performance categories (each a "Continuous Improvement Measure") may be modified, added, or substituted by PG&E during the term of this Contract, in order to achieve a fair, accurate, and consistent measurement of Contractor's performance of the Work.

- 16.4. Unless otherwise specified, Contractor's performance against each Continuous Improvement Measure and SLA deliverable or requirement shall be measured and reported to PG&E on a quarterly or as-needed basis. Contractor shall provide to PG&E, as part of Contractor's performance reports, a set of hard- and soft-copy reports to verify Contractor's performance under, and compliance with, this Contract.

#### 17. PRODUCT DELIVERY ASSURANCE

- 17.1. Contractor capacity constraints shall not affect Contractor's ability to meet PG&E's requirements. In the event of an inventory or production capacity problem at Contractor's or its Subcontractor's facilities, Contractor shall give priority to fulfilling its contractual obligations to PG&E.

#### 18. SUPPLIER DIVERSITY

- 18.1. Contractor shall submit to PG&E a quarterly report on Contractor's direct and indirect spend with diverse suppliers in PG&E's SDMS program.

#### 19. CONTRACTOR WARRANTY

- 19.1. Contractor warrants that all work performed hereunder shall be performed in a safe, dependable, and courteous manner.

**Rental Process**

PG&E currently uses a third party invoicing and billing process company, Suppliers will be required to provide rental details to a third party invoicing and billing process company or PG&E through an electronic method. The ordering and invoice process may be changed with 15 days of written notice to the supplier.

**Ordering and Invoicing Process**

1. PG&E employee calls or emails Rental Central to request rental equipment.
2. Rental Central contacts (via email or phone) employee's manager for approval of rental equipment request.
3. PG&E Manager approves (via email or phone) the rental equipment request.
4. Rental Central contacts the best supplier
  - a. Confirms availability: equipment type and start/stop dates,
5. Supplier provides Rental Central confirmation/reservation #
6. Rental Central provides Authorization ID to supplier for invoicing and tracking purposes.
7. Delivery/Pickup
  - a. Prior to delivery or pickup, supplier will provide photos, unit details and regulatory information specific to each unit to Rental Central. Rental Central may stop the delivery/pickup if the requested information is not satisfactory.
8. All Invoicing will be processed through Agile Sourcing Partners. Onboarding information will be provided post contract execution.
  - a. Suppliers will provide invoices on a monthly basis.
9. All Invoices will be validated by PG&E
10. Payment to suppliers will be made promptly once Invoices are approved.

**Special Notes:**

1. Any exchange or service done on unit PG&E Rental Central will be notified
2. If rental is returned to supplier with PG&E decals or logos, PG&E radio equipment vendor will remove. Decals and logos will be destroyed and Rental Central will be notified of all radio equipment.
3. PG&E will either return the unit to supplier location or supplier will be notified of termination of rental via email.
  - a. Final Invoice and closing details will be submitted.

PG&E requires suppliers to deliver the below data on all new rentals for purposes of Invoicing, payment and tracking.
